ADBLUE DISPENSING EQUIPMENT / ADBLUE FILL POINT

OVERVIEW

Our range of dual-compartment highway bowzers are an all-in-one unit built to store, transport and dispense both Diesel and AdBlue. These units feature an all-steel construction with 110% bunded Diesel tank, stainless steel AdBlue tank, twin dispensing systems and a tough galvanised chassis with heavy-duty running gear. With full UN approval, these bowzers are fully compliant with current regulations, and thanks to Fuel Proof's industry leading build quality and innovation, provide unrivalled security, durability and efficiency.

KEY FEATURES

- ▶ UN approved for transporting diesel on the highway
- ▶ Fully compliant with current environmental regulations
- ▶ All-steel construction and heavy-duty galvanised tubular steel chassis makes these units the strongest and most durable on the market
- ▶ Dual storage: 110% bunded Diesel tank & stainless-steel AdBlue tank
- ▶ Dual dispensing systems - one for each tank
- ▶ Choice of pump options to match your machines, vehicles & application
- ▶ Galvanised mudguards for strength and durability
- ▶ Secure lockable doors with anti-vandal padlock covers
- ▶ High quality running gear for years of trouble free service
- ▶ 10 year warranty for peace of mind
